

# STUDENT ACTIVITIES AND ORGANIZATIONS

Carlow University believes in your education and growth both inside and outside the classroom. Students who are involved on campus develop their skills in judgment, leadership, problem-solving, analysis, decision-making, and communication. You are also more likely to perform better academically and be more satisfied with your college experience.

The Office of Student Affairs serves as a central location for you to become engaged with campus activities and events. Our office also supports students as they develop events, programs, and services for the Carlow community.

## STUDENT GOVERNMENT ASSOCIATION

The Student Government Association (SGA) is the official voice for students on campus. This group of student leaders is elected by the student body each spring. It assists in the betterment of student life by facilitating communication between administration, faculty, staff, and students, among student groups, and within student organizations.

## CAMPUS ACTIVITIES BOARD

The Campus Activities Board (CAB) is a student-driven organization that plans social, cultural, and recreational events on and off campus, such as bingo, craft nights, and Stuff-a-Plush. CAB's biggest events include Night of Illumination, which is a Christmas party in December; Spring On The Green, a huge carnival/fair; and the Leadership Dinner, a special dinner planned for student leaders on campus.

## LEADERSHIP DEVELOPMENT
