The Carlow Athletics website, featuring team rosters, schedules, links to live coverage, recaps, photos, and videos, can now be found at **athletics.carlow.edu**.

Followers and fans have easy access to information about their favorite teams, including news articles and a scoreboard that lets fans see recent results, upcoming games, and links to live coverage and stats. The home page of the website shows six links at the top to navigate to different pages and displays a countdown clock for upcoming Carlow games. As you scroll down, you will be able to read the five most recent news articles on the left and view the most recent posts to the Carlow Celtics Twitter and Facebook pages on the right. Fans can like and share posts directly from the home page.

Watch the most recent Carlow Sports Network YouTube videos and peruse the most recent photo albums further down on the page.

The 'Sports' drop-down menu allows fans to access the schedule, roster, and recent news for each team, while the 'Schedules' tab provides access to a composite schedule that shows every sport's schedule month by month. Fans can also download, subscribe, or add a team's schedule to a Google calendar.

Under the 'Fan Zone' tab there is a link to subscribe to text and email updates so you never miss a recap or post about your favorite Carlow sports team. There is also a link that takes fans directly to the live video broadcast of all Carlow home contests at **<https://portal.stretchinternet.com/Carlow>**.

In addition to our website, be sure to follow the Celtics on social media @CarlowCeltics on Facebook, Twitter, and Instagram, and like and subscribe to our YouTube channel to watch preseason interviews and Celtics Spotlight videos.
