

GRACE LIBRARY

ABOUT US

Grace Library provides information services, resources, instruction, and a learning environment to support student learning, research and scholarship, information literacy, and the development of creative thinking and problem-solving skills. The library supports the curriculum and programs of study by responding to faculty and student needs and requests for information and resources.

OUR SERVICES

Reference and Research

Grace Library's dedicated staff members are here to support your learning. If you ever need help finding sources, reviewing articles, or just have a general question, then don't hesitate to let us know!

Personalized Instruction

We all learn differently, and Grace Library supports learners of all kinds. In addition to one-on-one instruction, we also offer classroom visits, virtual instruction modules, and more!

On Campus or Online

Need a place to study? No problem! Grace Library offers quiet study spaces and a computer lab for student use. Can't make it to campus? No problem! Grace Library's services are available in person, online, or over the phone.

"Knowledge is power. Information is liberating. Education is the premise of progress, in every society, in every family." –Kofi Annan
