CARLOW POLICE

The Carlow University Police Department (CUPD) exists to provide quality police services to all people within the Carlow community with respect, fairness, and compassion. We nurture public trust by holding ourselves to the highest standards of performance and ethics.

We respond to calls for police service 24 hours a day, 365 days a year. The Police Communications Center, located in Frances Warde Hall, is staffed with trained Police Communications Officers who receive requests for police services.

Uniformed Police Officers patrol the campus on foot and in marked police vehicles. All Police Officers are expected

to be courteous, helpful, and well-trained, and have completed more than 750 hours of classroom and practical field training. Their extensive training includes courses on criminal justice, investigation, accident reporting, first aid, and criminal law and procedure.

The Carlow University Police Department works closely with the City of Pittsburgh Bureau of Police and has a mutual assistance memorandum of understanding with Carnegie Mellon University, Chatham University, Duquesne University, Point Park University, and the University of Pittsburgh.
