

# RESIDENCE LIFE

## OUR MISSION

The Office of Residence Life provides a safe and friendly environment that supports students in their social, spiritual, and cognitive development. We promote a sense of community and expect residents to be inclusive and respectful of others.

## WHO WE ARE

Our team is made up of a director, three graduate assistants, and 10 resident assistants (RAs). We pursue our respective positions with the desire to get to know residents and to better their experiences. RAs are the lifeblood of the department. Highly trained and skilled student leaders, RAs work diligently to engage their peers in the community.

## HOW WE CAN HELP

- + Point students toward clubs and organizations that may be of interest
- + Connect students to other campus resources
- + Plan fun programs on and off campus
- + Mediate roommate disputes
- + Lend a listening ear

## RESIDENTIAL COMMUNITY

Students live in Frances Warde Hall and Dougherty Hall, and enjoy the following amenities:

- + Lounges on every floor
- + Free laundry located on every floor
- + Computer lab
- + Small fitness room
- + 24/7 emergency maintenance
- + 24/7 building security

## DID YOU KNOW?

- + 98% of residents agree their RA made an effort to get to know them
- + 95% agree they could count on their RA for help
- + 98% agree that the housekeeping staff is friendly and approachable

*Results from the Quality of Life Survey*
