

SPRING 2022 TEXTBOOK PURCHASES

Through Barnes & Noble Bookstore at Carlow University

With the ongoing coronavirus pandemic affecting us all, we are encouraging students to purchase their textbooks online through the campus store at carlow.bncollege.com for home delivery before you arrive to campus. This will ensure that you get your required books in a timely manner while keeping you safe. The number of customers permitted in the store at one time will be limited.

MULTIPLE TEXTBOOK FORMATS

Choose the format you prefer. Available formats and prices are listed with each title. Rentals can be considerably cheaper but require you to bring them back (or ship them back—a UPS return label is provided near return time) at the end of the semester.

CONVENIENCE

Beat the traffic...have your books shipped to your home and arrive on campus with them already in hand! You have until January 21, 2022, to return any textbooks you do not need for a full refund. Do not open shrink-wrapped packages or access any online codes until you are 100% sure about these items.

PEACE OF MIND

If a professor or department changes their mind on their course material, we will work with them and you to provide a refund. Please note that online outlets or off-campus stores not affiliated with our Barnes & Noble bookstore may not offer you a refund.
